The cut-off date for Wetlands Reserve Program (WRP) applications to be considered for FY 2006 funding will be December 16, 2005. The WRP ranking sheet will remain the same as fiscal year 2005 and will be utilized on all current and future applications for participation until superseded by a newer version. The attached guidance sheet provides detailed guidance on the application and ranking process.

In order to ensure that all interested persons have an opportunity to apply for the program, I would encourage District Conservationists to provide information regarding FY 2006 WRP and the application cut-off date to local media outlets.
